Subject: Congratulations for the visit with the father

In the name of Allah the Gracious the Merciful.

There is no god but Allah Muhammad is Allah's Messenger

Peace and Allah's mercy and blessings be on you. My dear brother Aba al-Ayyubi (al-Hussam),

I am truly very happy to here from you and to read your messages. What pure longings and sacrificial zeal for the sake of Allah, Almighty and for the sake of restoring the honor of our Prophet, Allah's blessing and peace be upon Him and supporting your brothers the Mujahidin.

Already I was very pleased for my reading in your last message about your wish in meeting the brother Hussein successively and in walking forward for the sake of Allah be He exalted. Did He not say: "If Allah assists you, then there is none that can overcome you, and if He forsakes you, who is there then that can assist you after Him? And on Allah should the believers rely."

So in that respect, I hope first that you already spent pleasant times with the dignified father. And I hope also that the visit already helped you and made firm your opinion in choosing this path or that road that you like to choose it and follow it. So did the visit of the father change anything in your determination or your views? For it is very important that you take this decision or that by yourself only and without any outside pressures.

As with regard to the brother Hussein so here we are preparing for him to visit you for the follow-up and we are trying to send him to your side within a week or two at the most. Thus despite his many preoccupations so he will come to you soon, Allah willing. We will try with His help be He exalted to give you the time to prepare for the meeting but do not worry so if we stumble and the time became short for us then we will choose a time of the day that does not conflict with your work. Thus be patient O my brother as His Almighty the Exalted said in His book:

"O ye who believe! seek assistance through patience and supplication; surely Allah is with the patient."

Therefore let us rejoice and Allah willing we meet soon.

"... If you remain patient and are on your guard, and they come upon you in a headlong manner, your Lord will assist you with five thousand of the havoc-making angels."
